COMMUNICATION

For the most recent updates, please visit our website. We will communicate via email, unless there is an emergency. Please be sure that your email is up to date in your account, that you are subscribed to general updates, and that you've marked us as a known sender, as things tend to go to spam otherwise.

WAIVERS

Trips highlighted in orange require a waiver. Waivers will be available on Monday mornings each week. They need to be submitted by pick up on Monday the week of the trip. Without a waiver, campers will not be allowed to attend the field trip. We encourage early submissions of waivers as it allows for things to run more smoothly.
