### **Inclusion Policy**

The Woodbury Parks and Recreation encourages and supports the participation of residents with disabilities in all programs and services. We strive to make every program accessible to all community members, and we recognize that this includes a wide range of abilities and skills.

We provide inclusion support services and reasonable accommodations. To make each program as successful as possible for all participants, please notify the Parks and Recreation office at least 21 days in advance for accommodations.

Woodbury Parks and Recreation is not licensed to administer medication.
