

## **Travel Basketball FAQ**

### **What is Travel basketball?**

*Travel basketball is separate from the in-house recreation program. It is a more competitive brand of basketball where teams play against other towns and their travel teams. Full court pressing and regular high school basketball rules are applied in travel league games.*

### **How are the Travel teams selected?**

*The tryouts for the travel teams are combined with the mandatory evaluations noted on the registration link. Players are assessed based on their skill level, knowledge of the game and attitude.*

### **Who selects the Travel teams?**

*The Park and Rec Director along with the Basketball Board review all the evaluations and select the team(s).*

### **How many players get selected for a travel team?**

*A maximum of 10 players can be chosen for a travel team (5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade boys and girls)*

### **Will there be a travel team for each grade?**

*This will depend on the number of players who wish to do travel basketball and are selected (each grade level). There are circumstances where some grade levels will not be able to field a travel team due to a lack of interest, skill level or a lack of volunteer coaches.*
