

Brushy Hill Farm is a family owned and operated full-service equestrian facility, that has been offering riding and horsemanship lessons to students for the last 45 years. We are known for our warm and welcoming environment, with safety being the main concern.

ABOUT OUR LESSONS

Our program caters to children as young as 3 years old through adults, from beginners to advanced. If you are a first-timer looking to learn the basics, a seasoned rider wanting to further their education, interested in learning about horse care or curious about competing, our program is committed to helping everyone achieve their goals and full potential.

With safety being our main concern, beginners will have a leader and a side walker as needed. Beginners will learn basic horse knowledge, barn safety, proper terminology, and correct riding position. Riders with experience will continue to hone their skills, learn new techniques and expand their horse knowledge. For the students interested in competing, our instructors are committed to your success in the show ring.

Not only do our lessons teach proper riding, but they gives students the opportunity to learn farm safety, general horse care, proper ways to groom, leading, tacking up and untacking.

Working with horses is a lifelong passion for many that instills discipline, respect, resilience and empathy. Join our family today and learn what horsemanship is truly about.

LESSON PACKAGES & PRICING

Lessons are held year-round and scheduled daily. During inclement weather, classes are held in our indoor arena.
