

Woodbury's Great Gnome Hunt Discovery Guide

"If you spot a gnome, give a cheer
But leave it right where it appeared!
They love to hide, not roam alone...
So please don't take or move a gnome!"

Woodbury Great Gnome Hunt
GNOME DISCOVERY GUIDE
June 14 – 30, 2025

Join the fun and come find a friend
Who's small, bearded, and tends to blend!
In parks and trails, both near and wide,
Some sneaky gnomes have gone to hide.

With pointy hats and tiny shoes,
They've picked the best spots they could choose!
So grab a guide and bring your crew,
There's gnomey mischief here for you.
No clues to follow, just your eyes,
So search around for a small surprise!

Rules:

- One entry per person
- Look for gnomes at each location. When you find one, write their name on the guide. Be sure to leave the gnome where you found it! Take a photo if you want but try not to give the hiding place away. Use #woodburygnomehunt
- Return your completed guide to the library, senior center or Parks and Rec house by 6/30/25.
- All completed entries will be entered to win a prize!
